4004 NE 4th Street | Suite 107-350 | Renton, WA 98056 | 425.687.0994

May 11, 2017

Welcome to the Ambassador League.

Your application for an Ambassador League has been approved. We are elated that you share our passion to see the Church united and working together to build our Father's house of prayer for all nations and to see Jesus' gospel of the kingdom presented in power.

There are two kinds of leagues. Everyone starts with an Ambassador League. We provide the proven system and you help find the ones called to serve as part of the prayer team or a council team in your league. As the league matures you'll develop a core team of leaders and that team may decide that the customized technology (*Leadership Dashboard, 1Church1Day apps connected to this dashboard and a web portal*) found in a Kingdom League would serve God's purpose in your area better.

As an ambassador, you'll serve as the messenger presenting this powerful strategy to the body of Christ in your church, community, region or network. Our role is to equip you and your team to help mobilize and connect the body of Christ. We will:

- Pray for you!
- Put your league on our map and encourage everyone who gets our app in your local area to connect with you.
- Help train you and your people through the training section of our app, our blog, and our Kingdom Academy.
- Provide you access to special training and tools just for Ambassadors. Click here to access this training and these tools.

Here is where I recommend you start.

**First Steps** – (visit <http://www.1church1day.org/ambassador-welcome.html>)

1. **Download** the app if you have not already done so.
2. **Go to the Results section** in the app, click map, or on the website and verify there is a green icon with the name and your email.
3. **Create a page on your website** where you will post the decrees and prayer targets for your league. Send the link to us. We will add your Ambassador League to the Decree section of the app. Click Decrees in your app and you will see ten categories. The link to your league will be added to this section.
4. **Review the 1Church1Day.org and KingdomLeague.org websites** and become familiar with it's tools.
5. **Review the audio & videos** in the training section of the app or below.
6. **Download the books** and I recommend you start with Build the Wall first and Developing Apostolic Strategy second.

### **Prepare your tools to share the vision**

1. Take advantage of all the free videos and materials we provide on our websites and email or share on Social media and invite them to download the app and go to the Training section too.
2. Visit our [Free Tools page](#) regularly as we'll provide jpgs, files and templates to help you create brochures, flyers etc.
3. Determine how you plan to share the vision. Will you emphasize the 24/7 prayer, support the people mobilizing National Day of Prayer and Global Day of Prayer in order to harness the momentum from those events, or you could begin by forming leadership (council) teams in the 7 spheres. Finally, you could do it all at once through a 1Church1Day Kick Off.

### **Second Steps**

This is where you begin to move from vision into action:

1. Sign churches and ministries up to cover a day of 24/7 prayer once per month
2. Form councils who will help you develop prayer targets and decrees appropriate for your community/region.
3. Monitor the results of your efforts and adjust your prayer as necessary

Know that not only are you helping to build our Father's house of prayer and connect the Church in your community but you are also uniting with the Church in your state, nation and internationally. Truly you will be "connecting locally while praying globally." I'm honored that you've volunteered to partner with us and we look forward to co-laboring with you in this noble assignment.

I pray you hit the mark for your destiny and our Lord's glory that Jesus might be magnified and His will done in your area. I look forward to seeing all the marvelous reports that are produced through your league. I pray that even as you've allied with us that our heavenly Father will impart to you the same passion for His presence and the spirit of wisdom and revelation that He gave me that you might be anointed to mobilize the body of Christ in your assigned area.

Proclaiming the gospel of the kingdom,

Tim Taylor

*An apostle & the architect of*
